

STRATEGIC PLANNING & PROJECT MANAGEMENT

We can help you if:

- You need to change but cannot see the end goal.
- You have a vision with no clear way of getting there.
- You have a project which would benefit from independent advice
- You need stakeholder buy-in
- You need your day-to-day business to continue successfully during a major change initiative.

Your New Horizon:

- Involved in most industry sectors
- Well qualified and experienced:
 - Over 20 years experience
 - PRINCE2 practitioner
 - Managing Successful Programmes practitioner
 - Management of Risk practitioner
- Thought of highly by our clients.
- Managed a wide variety of projects, such as:
 - Factory move from Telford to Stockport.
 - New business set up.
 - Business disposal.
 - Business integration.
 - Production move to Greece.

"Clare gave clarity and structure to our business disposal programme. Always professional, calm and enthusiastic. Clare engaged with people at all levels inspiring them to achieve the desired result."

Bob Griffin, Operations Manager

Your vision, our steps.
Together we can move mountains
